

Footpath improvement works

Work is set to start on footpath improvements on Monday 15 August.

The work is scheduled for 12-working days.

In the event that bad weather or difficult ground conditions slow progress, we'll keep you up to date on our website, social media and with notices on the Old Showfield noticeboards.

This work is being completed by Mack Civils, a specialist company based in Frome,

Please bear with us...

We've scheduled and phased the works to minimise disruption and inconvenience, but there will necessarily be periods when sections of footpath and parts of the Showfield are closed off.

We're phasing the works to keep these closures to a minimum—and Mack's team will be working hard to have everything open again as soon as possible.
