*making Frome a better place*

Dear New Resident,

On behalf of Frome Town Council and the local community, I would like to warmly welcome you to your new home! The Town Council has put together this Welcome Pack to introduce you to the town and help you make the most of the amazing resources available here.

In the past 12 months, Frome has been awarded Great Town 2016, the Star Council 2015 as well as appearing regularly in various newspapers' top ten places to live in Britain.

Frome is home to a great range of unique community projects and opportunities, including:

- The UK's first Share shop – a 'library of things' where you can borrow anything from tools to toys, tents to tin whistles for a small donation
- Co-Wheels Car Club – an electric car sharing scheme
- The UK's first Community Fridge – a space for sharing surplus food that would otherwise be thrown away.

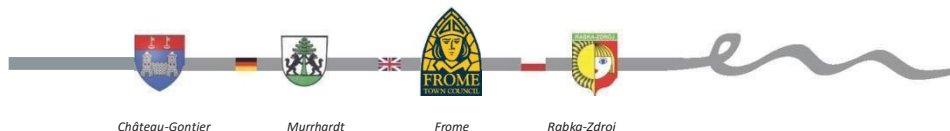

These are only a few of the exciting initiatives happening just down the road from your new home. The leaflets in this pack will provide you with more information. Further detail is also available online at [www.frometowncouncil.gov.uk](http://www.frometowncouncil.gov.uk) or from the Information Centre, situated in Frome library. Failing that just give me a ring!

I hope you enjoy your time in Frome and take the opportunity to get engaged in town life.

And once again, welcome! Yours faithfully,

Paul Wynne
