

The Roundhouse

Community stewardship of a community garden.

A riverside walk and a community space... within easy reach of the town centre; and part of Frome's vibrant and vital river corridor.

What you'll find here

The Roundhouse itself – a tactile combination of rustic charm and traditional timber design

Opportunities for volunteers to get hands on with FROGS and the Rangers

A riverside walk to and from Frome town centre

Semi-formal beds – planted in partnership with FROGS

Wildflower drifts along the pathways

Riverside trees – including Poplar, Alder & Sycamore

Next steps

Community stewardship

With continuing support from the Rangers

A bug hotel. Plus more bird & bat boxes

'Kits' produced in partnership with Frome's Men's Shed; then built by the Critchill Rangers

Street art

Murals and motifs painted by local artists to match the landscapes in this part of Frome

Riverbank management

Thinning and coppicing to accent the better trees and provide views up and down the river

Other planting

Ornamental trees; flowering shrubs & more wildflowers

Improved signage on site, including wood carvings

Wildlife surveys

Opportunities for people to come along to find out more about the wildlife along the Frome

Technical Summary
