HIGHWAYS ACT 1980 – SECTION 115E PROPOSED PAVEMENT CAFÉ

We have received a request from Greggs, Westway Shopping Centre, Frome for permission to place tables & chairs on highway land fronting the shop.

The proposal is to place two tables and six chairs on the highway between the hours of 07:00 and 18:00 hours seven day a week. All furniture items are to be stored within the shop outside of trading hours. For your information I attach a plan indicating the location of the proposal.

I shall be grateful to receive any comments your Council may have on these proposals. Could you also advise me if you would require any special conditions being imposed in any licence granted. This could include times of use and if any restrictions are required for particular events such as market days.

I shall be grateful if you will give this your early attention as I need to respond to the applicant within twenty-one days.

Thank you for your help, any questions please do not hesitate to contact this office.
