

Footpath improvement works

The Dippy, off Culverhill, Frome

To find out more about the work email:
admin@frometowncouncil.gov.uk
01373 465757
Or call in to our office on Palmer Street

Work is set to start on footpath improvements on Monday 26 September. The work is scheduled for 5 working days.

In the event that bad weather or difficult ground conditions slow progress, we'll keep you up to date on our website, social media and with notices on The Dippy noticeboard.

This work is being completed by Mack Civils, a specialist company based in Frome,

Please bear with us...

We've scheduled and phased the works to minimise disruption and inconvenience, but there will necessarily be periods later in the week, when sections of footpath and parts of The Dippy are closed off.

We're phasing the works to keep these closures to a minimum—and Mack's team will be working hard to have everything open again as soon as possible.
