2016/099P	<p>1 QUESTIONS, COMMENTS AND INFORMATION FROM THE PUBLIC</p> <p>A resident mentioned that Blind House Lane has now been cleaned up.</p> <p>Another resident reported a large branch that has fallen on the grass near the toilet block on Gorehedge. This will be reported to the relevant authority.</p> <p>The old Frome Town Council sign is still up on 5 Palmer Street. A resident questioned when it will be taken down. Cllr Goldfinger suggested that it could be donated to the museum.</p> <p>A group of residents were concerned about Mendip District Council's plans to put containers onto the Market Yard carpark. The members of the Planning Advisory Group only officially found out about this earlier in the day prior to the PAG meeting. It was said that MDC have not submitted their proposed plans yet but when they do residents will be able to send in their consultation responses. The residents were anxious that it will affect the economic sustainability and safety of the Cheese and Grain. It was stated by a resident that the Cheese and Grain is the only venue that has a high capacity of 850 people in Frome and this is only because of the fire escapes and the traffic free zone. It was suggested by another resident that a better place for the containers would be on the Saxonvale Garsdale site as 28 containers would fit. The resident said that the Cheese and Grain need the space due to ongoing developments e.g. exhibitions and markets. They believe that the containers could affect the Cheese and Grain greatly in a negative way.</p> <p>Frome Canoe Club had concerns as the information they have received was brief and if the containers are in front of the Canoe Club it will hide the building which may encourage crime and graffiti. The Canoe Club believe they would lose the pathway to the river due to the safety of the members. The Canoe Club's mains electricity and water run underneath where the containers may be situated. They have had a leak in the past and are worried if this was to happen in the future.</p>

	<p>After hearing the concerns from the residents, it was suggested that Frome Town Council try to set up a meeting with MDC, The Cheese and Grain and The Canoe Club. Cllr Cobb said that the plans do not seem as bad as what was previously feared. The residents thought that MDC had plans to put 24 containers in the Market Yard Carpark, Peter Wheelhouse made it clear that what they saw earlier in the day was 20 containers not 24.</p>	
2016/100P	<p>2 DECLARATION OF MEMBERS' INTERESTS AND TO AGREE THE MINUTES OF THE PREVIOUS MEETING APOLOGIES FOR ABSENCE Nick White DECLARATION OF MEMBERS INTERESTS None MINUTES The minutes of the Planning Advisory Group meeting held on 1 June 2017 were agreed and signed by the Chair.</p>	
2016/101P	<p>3 TO RECEIVE A PRESENTATION FROM BAYLISS DESIGN REGARDING COMMERCE PARK APPLICATION 2017/1119/FUL The presenter was Rob from Curtin & Co.</p> <p>The proposed plans are for the land directly opposite the Premier Inn and Beefeater.</p> <p>Jane Llewellyn checked with MDC regarding the S106 but this should have been done at the time of outline consent.</p> <p>Jane asked if something could be done about the pathway from the housing estate to Commerce Park as it isn't surfaced all the way through and there isn't much lighting or signage. Rob said he would take this back to see if they could improve this in anyway.</p> <p>Cllr Golinski asked if there is going to be an electric car charging point. Rob said there hasn't been plans to have one as of yet, however there is a new legislation that will be coming in soon that all filling stations need to have one. He will take this back to see if one could be added. Cllr Goldfinger added that we have recently changed the car club to one that uses all electric cars so there will be a need for this.</p> <p>Cllr Goldfinger asked if there are going to be any PV panels on the roof Rob will ask if this is possible to fit these. Peter Wheelhouse mentioned that he could put Rob in touch with FRECO who may be able to help with the PV panels.</p> <p>Cllr Gore questioned if local suppliers could be considered rather than Subway and Budgens. Rob stated Peregrine have full control over what will be sold in Subway and Budgens. Budgens will link up with local food suppliers.</p> <p>Cllr Cobb would like them to have a higher aspiration of what the development will look like as the designs are quite basic at the moment. Rob said he will send some photos of other locations, the designs and he is happy for PAG to comment on what they would like to be improved.</p> <p>Public transport was mentioned, members of PAG were interested how workers would get there as the shop is 24 hours and Subway opens late. It was also asked if</p>
