

**Frome Town Council
Frome Town Hall
Christchurch Street West
Frome
BA11 1EB**

Dear New Resident,

On behalf of Frome Town Council and the local community, I would like to warmly welcome you to your new home! The Town Council has put together this Welcome Pack to introduce you to the town and help you make the most of the amazing resources available here.

In the past 12 month's Frome has been awarded Great Town 2016, and consistently appears in various newspaper's top ten places to live in Britain. We are also a fairtrade town.

Frome is home to a great range of unique community projects and opportunities, including:

- The UK's first Share shop – a 'library of things' where you can borrow anything from tools to toys, tents to tin whistles for a small donation.
- E-car Club – an electric car sharing scheme.
- The UK's first Community Fridge – a space for sharing surplus food that would otherwise be thrown away.
- Frome Independent Market – held on the first Sunday of the month (March-December) held through the high street and beyond.

These are only a few of the exciting initiatives happening just down the road from your new home. The leaflets enclosed in this pack will provide you with more information. Further details are available on our website or from the Information Centre situated in the newly refurbished Town Hall in Christchurch Street West. Failing that just give us a ring!

I hope you enjoy your time in Frome and once again, welcome!

Yours faithfully

Paul Wynne
Town Clerk
