

Agenda item 5

For decision – Redundant toilet blocks in Frome, what next?

Author: Cllr Mel Usher

The 7 year itch....

There are four toilet blocks in the town centre of Frome that have been redundant for years. They are:

Merchants Barton (opposite the Kingsway Centre)

Cork Street

Badcox

Gorehedge

The toilet block in the Market Yard has been re developed and is now the Loop de Loop and houses a take away and exhibition space.

The question is why are they still redundant?

Recommendation

Contact Mendip to find out what their plans are for the redundant toilet blocks.
