

Frome foraging copse & orchard

Use a local carpenter to make benches for people to meet and chat

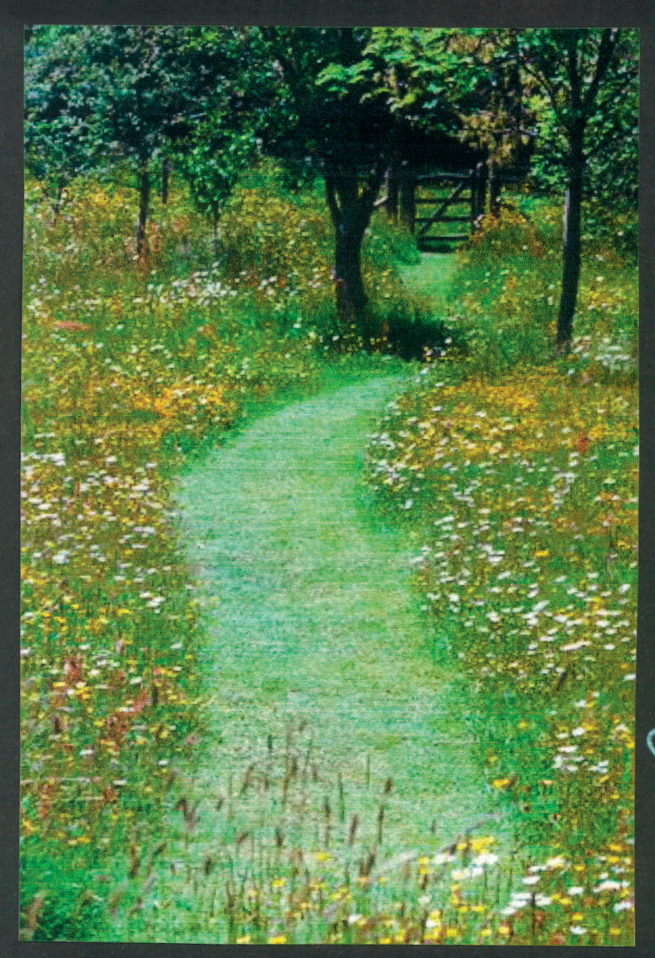

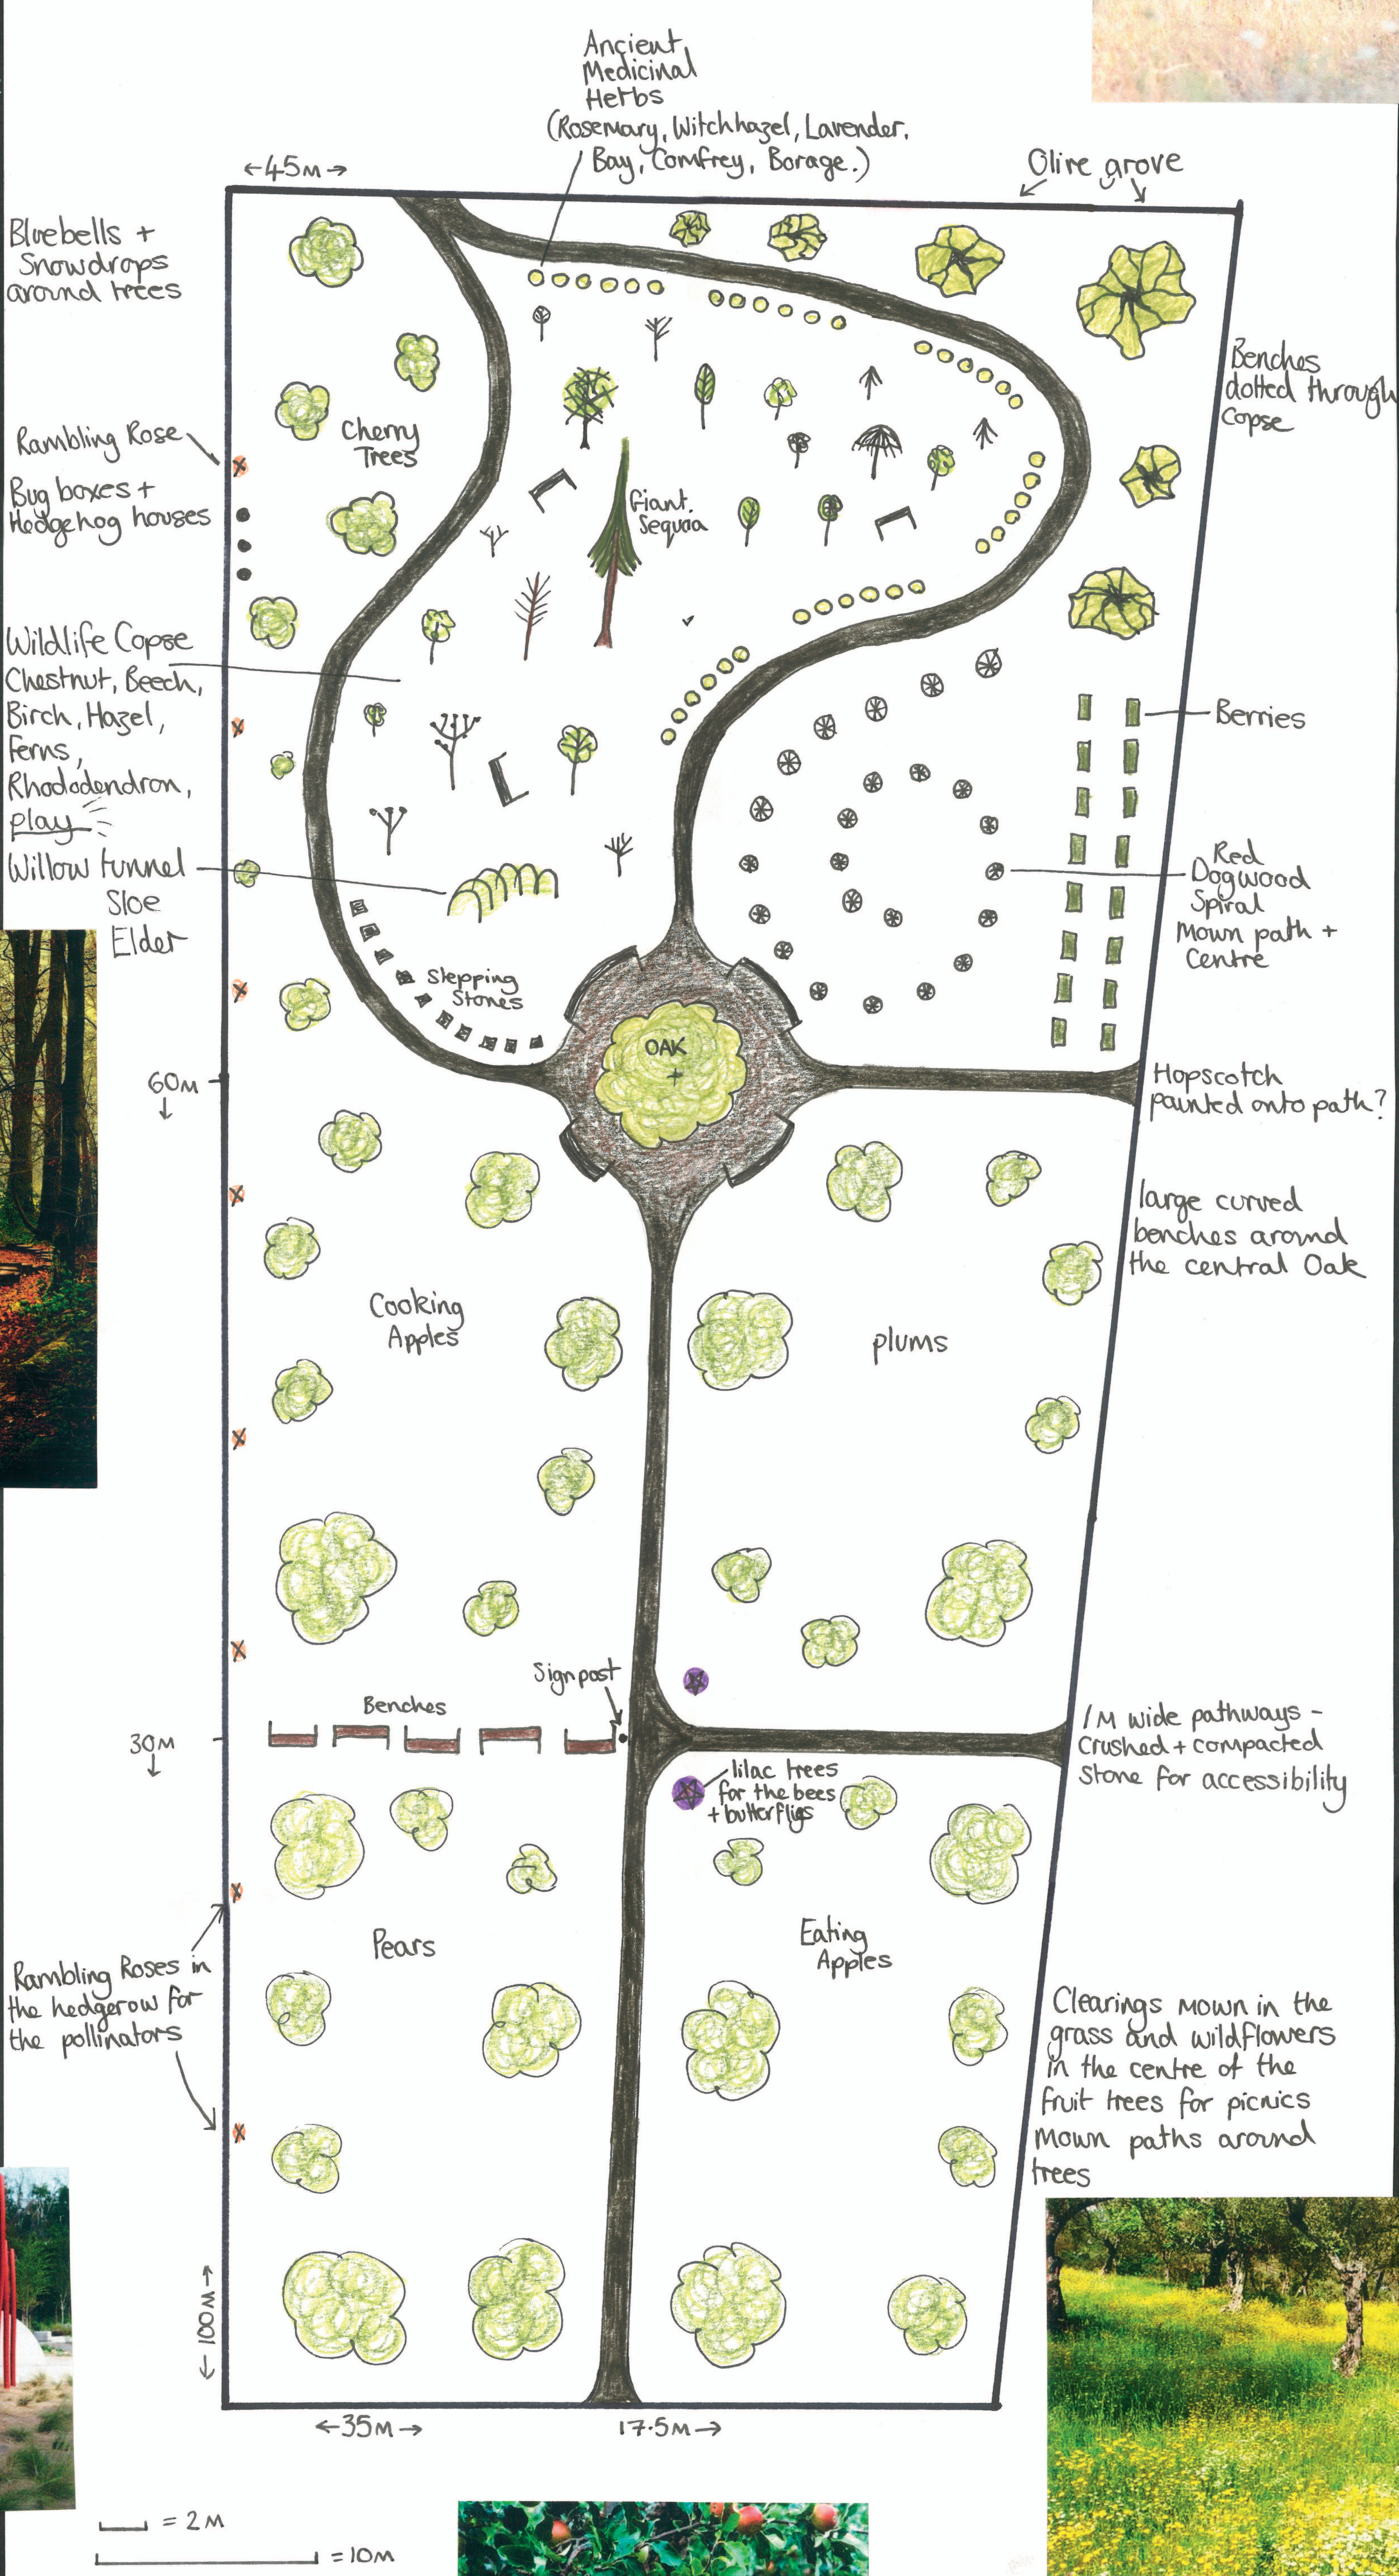

Make the Wildlife copse fun and engaging for all ages. Enlist the help of local Crafts people

Engage local Schools + Community groups to make bee + bug houses, bird feeders and hedgehog houses

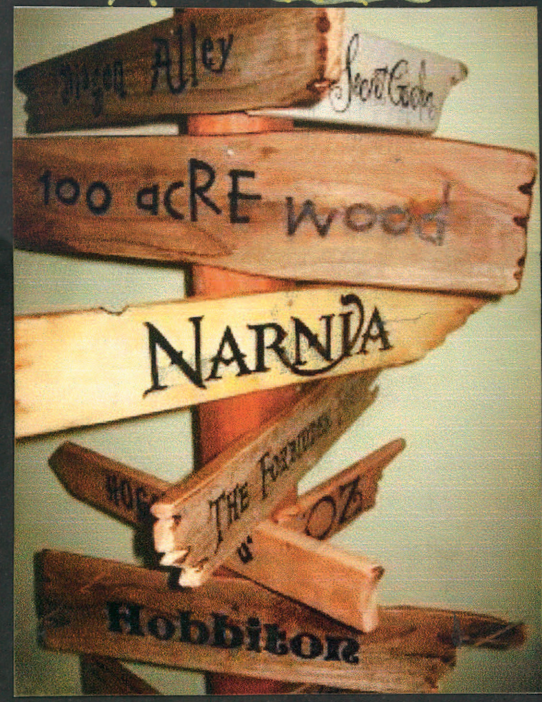

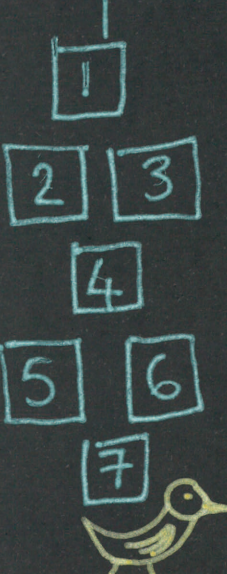

Sink Logs for Stepping stones

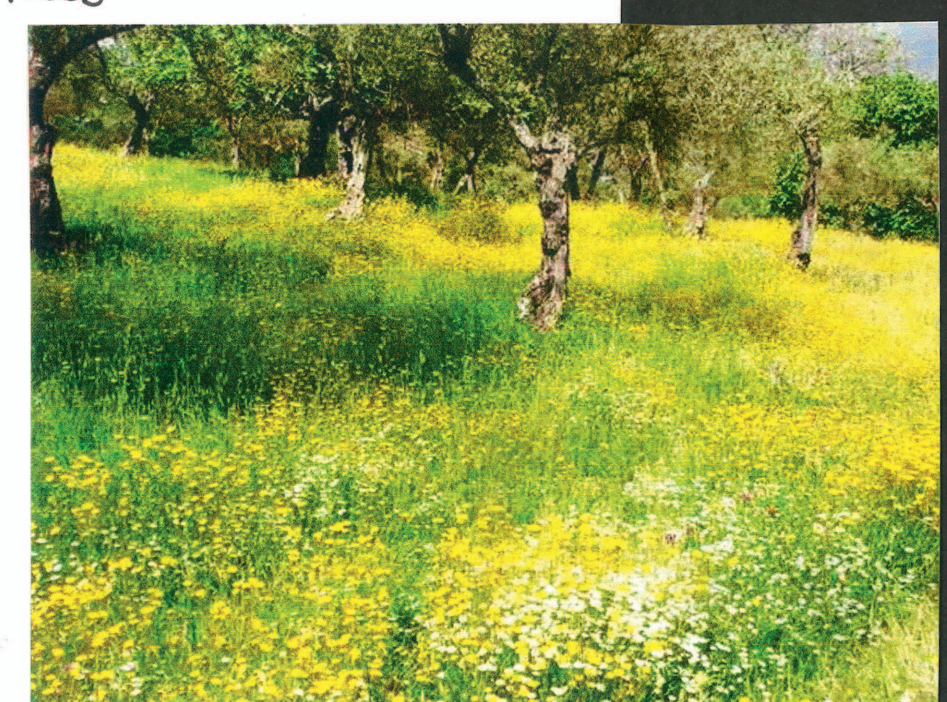

Beautiful Mown Pathways

Sink Hopscotch Slabs into the paths

Make certain that it is very clear which fruits are where!

Give the Orchard a Wonderful Name...

Use Wildflower planting throughout the orchard to attract insects and create softness
