

# Acorn Property Group

## Notice of public consultation for Saxonvale Redevelopment

Acorn would like to invite you to attend a public drop-in event at Silk Mill Studios and Gallery to share your views on the future development of the Saxonvale site in Frome.

We are very mindful of the site's history and the community's desire to see a high quality mixed-use development happen. With the intention to submit a planning application in spring 2019, we are keen to discuss aspirations for the site and its opportunities and challenges, before working up development proposals in more detail.

We look forward to meeting you.
