2019/27/FC	<p>3. Presentation from Inspector Mark Nicholson from Avon and Somerset Police Sheila Gore left at 7.45pm</p> <p>Mark and his colleague Sergeant Rachel Clark introduced themselves. Mark explained that within Mendip the police have bases in five of the main towns. There were also rural area officers.</p> <p>If an officer makes an arrest in Frome the prisoner had to be taken to Keynsham to be processed. Unless the person was deemed dangerous, arrest was the last resort.</p> <p>On occasion the team saw a crime discussed on a Facebook page but it hadn't been reported and he urged the public to report everything directly to the police. He admitted that improvements were needed with the 101 service for non-emergency reports.</p> <p>Rachel Clark and her team covered both Frome and Shepton Mallet. Approximately 30% of their time was dealing with crime. The rest covered mental health and missing persons. Sheila Gore asked if the police worked with any mental health teams? Rachel explained that there were trained volunteers in community resolution which covered this.</p> <p>Rachel explained that policing priorities were part of the government strategy. Avon and Somerset's priorities were publicised on their website.</p> <p>Anne Hills asked how useful CCTV was to their work? Mark said he couldn't imagine doing without the CCTV service. It was often the first step in looking into any crime and could be part of evidence. It was also useful when searching for missing or vulnerable people.</p> <p>Mark Dorrington thanked Mark and Rachel for presenting to Council.</p>	
2019/28/FC	<p>4. For Decision: Wild about Trees - a tree planting project across the town</p> <p>Chris gave an overview of the proposed project. 	<p>coming winter. He said part of the second phase of the project would require a new member of staff to take it forward.</p> <p>Mel Usher suggested the Market Yard car park and Whatcombe Fields for areas to plant.</p> <p>Steve Tanner particularly liked the proposal for street trees and suggested working with developers to ensure the right trees were planted in the right places.</p> <p>A member of the public asked FTC to consider not only native trees because they were susceptible to disease. Also, to consider replacing dead trees in existing tree pits around the town.</p> <p>A representative of the Woodland Trust said they were excited by the project. It would be a great opportunity to show leadership and encourage others such as MDC and SCC to do the same.
