

Safer Walking and Cycling in Frome

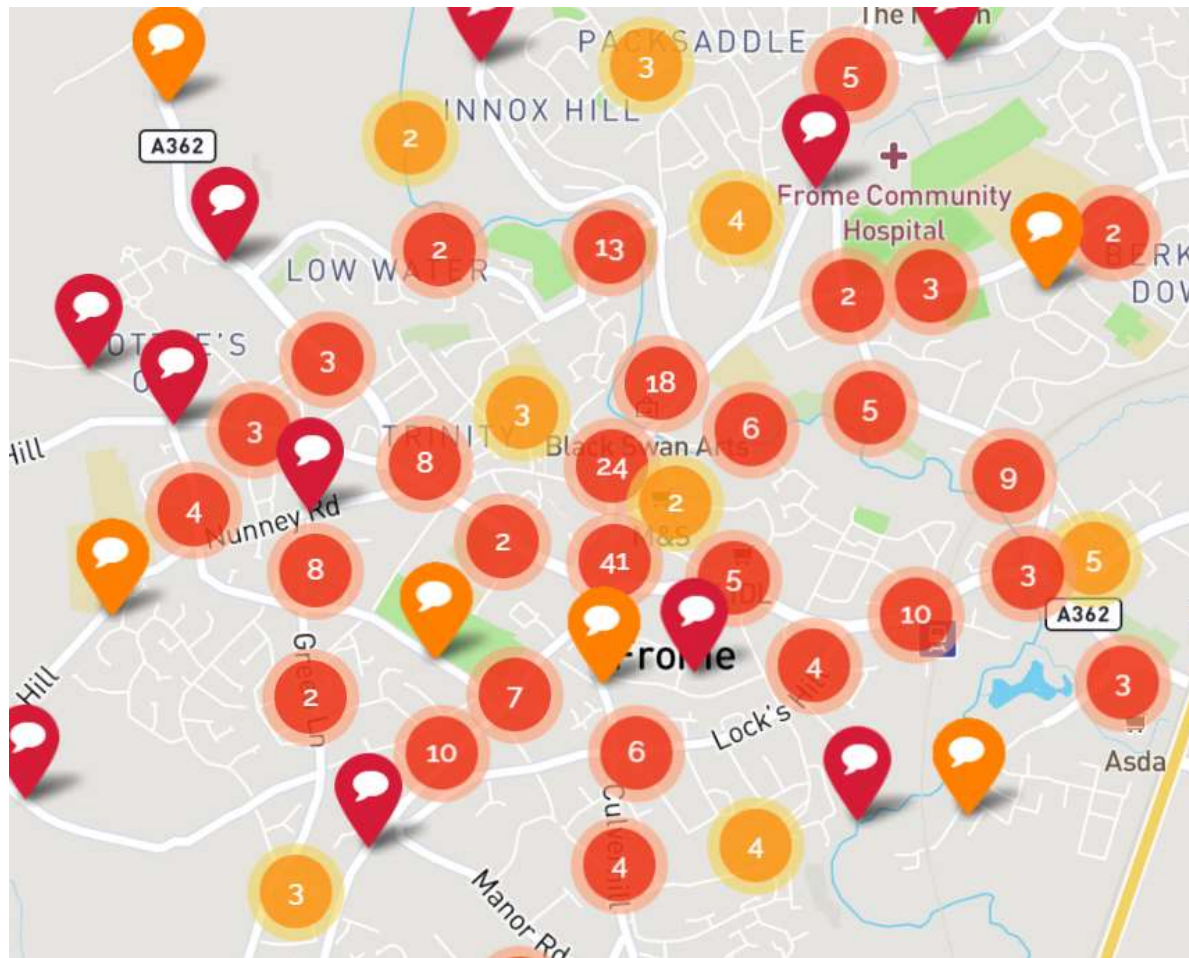

Anna Francis
Resilience Manager, Frome Town Council

Potential Funding

- Somerset County Council: £120,000, June - August
Promote cycling as a replacement for journeys previously made by public transport. Trial pedestrianisation of Frome town centre
- Mendip District Council: £102,000
Re-opening high streets: signage, boosting business activity-allocated
- Somerset County Council: £482,000, later in summer
Bid via costed plans to reallocate road space to cyclists and pedestrians, including on strategic corridors.
- Somerset County Council: £1m Climate Fund, August
