

Local Councils in England

Annual return for the year ended 31 March 2012

Local councils in England with an annual turnover of £6.5 million or less must complete an annual return summarising their activities at the end of each financial year. In this annual return the term 'local council' includes a Parish Meeting, a Parish Council and a Town Council.

The annual return on pages two to five is made up of four sections:

- **Sections 1 and 2** are completed by the person nominated by the local council.
- **Section 3** is completed by the external auditor.
- **Section 4** is completed by the local council's internal audit provider.

Each council must approve this annual return no later than 30 June 2012.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all sections highlighted in green. Do **not** leave any green box blank. Incomplete or incorrect returns require additional external audit work and may incur additional costs.

The annual return, together with your bank reconciliation as at 31 March 2012, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to your appointed external auditor by the due date.

Your auditor will identify and ask for any additional documents needed for audit. Therefore, unless requested, do **not** send any original financial records to the external auditor.

Audited and certified annual returns will be returned to the council for publication or public display of sections 1, 2 and 3. You must publish or display the audited annual return by 30 September 2012.

It should not be necessary for you to contact the external auditor or the Audit Commission directly for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide for local councils that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk

On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Guidance notes on completing the 2012 annual return

- 1 Proper practices for preparing this annual return are found in the *Practitioners' Guide**. This publication is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you encounter.
- 2 Make sure that your annual return is complete (i.e. no empty green boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the council, properly initialled and an explanation is provided to the auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a council member or the Chair, to review your annual return for completeness before sending it to the auditor.
- 4 Do not send the auditor any information not specifically asked for. Doing so is not helpful. However, you must advise the auditor of any change of Clerk, Responsible Finance Officer or Chair.
- 5 Make sure that the copy of the bank reconciliation which you send to your auditor with the annual return covers **all** your bank accounts. If your council holds any short-term investments, note their value on the bank reconciliation. The auditor must be able to agree your bank reconciliation to Box 8 on the Statement of Accounts. **You must provide an explanation for any difference between Box 7 and Box 8.** More help on bank reconciliation is available in the *Practitioners' Guide**.
- 6 **Explain fully** significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The auditor wants to know that **you** understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the *Practitioners' Guide** to assist you.
- 7 If the auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2011) equals the balance brought forward in the current year (Box 1 of 2012).
- 9 **Do not complete section 3.** The external auditor will complete it at the conclusion of the audit.
