

What could you do with your neighbours to bring a bit of cheer this winter?

The Neighbourhood Network has been coming up with some ideas of things to try...

- #LightUpFrome together! Take part in Light the Night from November 27th and see if you can set your street aglow <https://www.fromelanterns.co.uk/>
- Get your gloves on and your weeding tools out to beautify your street
- Make a little post box or a display for Christmas Cards for your street
- Hide an 'Elf on the Shelf' in the window of a different house each day of advent to surprise the children (and adults!) in your street.
- Chalk a hopscotch game on the street
- Create a real-life advent calendar by pinning up pictures (or anything!) in the windows of the appropriate house numbers in the run up to Christmas.
- Join in the Doorstep Carols on Wednesday 16th December <https://www.doorstepcarols.co.uk/>
- Have a mulled wine and mince pies event on your doorsteps or in your front gardens
- Do a secret Santa gift exchange with your neighbours

Keep up to date with more ideas, support and town-wide events by signing up to the Neighbourhood Network
