New claims

The Council hasn't received any new liability claims since the last Council Matters meeting on 8 September.

3. Property claims

None at this time.

4. Risk management

We've updated the coronavirus risk assessments for the Rangers and the staff working from the Town Hall; with new guidance on when to isolate.

Likewise, there's an updated risk assessment for Council meetings at the Town Hall; reflecting the current guidance (and the current rising cases in Mendip)

Final versions of the risk assessments for Glow in the Park have been circulated ahead of the event.

We're working closely with the Frome branch of the Royal British Legion on the risk assessment and traffic management for this year's Remembrance Parade and service.

And we've met with the Police ahead of finalising the risk assessments for the Christmas event.
