Let's get filming
Let's get inspired

Festival Programme

A day of free film screenings,
awards and workshops

Screenings & Awards

Film Screenings & Meet the Directors | 11:45 - 16:30

Book your ticket and come and go throughout the day as you please. There will be a wide variety of films by local and international creatives, all with a green theme. Films will be introduced by their directors - more details coming soon!

The Climates Q & A | 16:30 - 17:30

Following a full day of screenings and workshops this session is a chance for all to join together to reflect on the day.

Awards Ceremony | 18:00 - 20:00

Join us as we celebrate the winners of Frome's first International Climate Film Festival. Get yourself a drink from the bar and enjoy the winning films.

Film workshops

Film making workshop for kids (age 7+) | 10:20 - 11:30

Learn how to bring your film ideas to life and tell stories with a green theme. Join Keith Seward from Compass Media for this interactive workshop - just make sure you bring a charged-up smart phone to film with.

Using your skills for good - Starting to imagine a different world | 11:00 - 11:50

Join James Turner for this pre-recorded workshop exploring using your film making skills to make a difference. James is the founder of creative collective "Glimpse" and Former Communications Director at Greenpeace International and The Syria Campaign.

How to make a short film | 12:00 - 12:50

Join Howard Vause for a workshop focused on making impactful short films. Howard is a digital arts professional creating independent film productions with a specialism in live action/animation, with a passion to inspire the next generation through community outreach and projects

Environmental workshops

Dare to be, From harm to harmony | 13:00 - 14:20

After making a film helping Polly Higgins get “Ecocide” recognised in law, Kelly Roberts realised that we can’t change the laws without changing the way we think. Young people are currently dealing with a mental health crisis. What can we do to change the conversation and ensure young people get the support they deserve?

Green & Healthy Future for Frome with Sue Palmer & Eco film processing demo with James Holcombe | 14:30 - 14:50

Come and find out about the Climate Action Funded partnership project focusing on making Frome greener and healthier - and how the health of ourselves and the health of our planet are firmly linked. Filmmaker and eco-processor James Holcombe will join Sue to demonstrate how coffee and other plants can be used to develop film.

Loop:Frome | 15:00 - 15:50

Learn more about the work of Loop:Frome, who transform ‘waste’ into a nutrient-dense living compost, feeding it back into the community. Sequestering carbon, healing the soil, and improving the wellbeing of Frome.

Saying “yes” to climate action | 16:00 - 16:50

Preferring ‘Yes’ to ‘No’, Robert Barnard-Weston campaigns for things, not against them. He has co-launched the UK Farmers’ Markets movement, a sustainability consultancy, a local community empowerment company, an industrial-scale composting enterprise, a local people-care and earth-care charity, an eco-artisan bakery company, the first eco-hotel in Bath, UK, and five children.

**All workshops are free, but
limited spaces are available.**
