

Community Grants Terms & Conditions

At Frome Town Council (FTC) our aspiration is to be:

Catalysts and supporters of new initiatives in the Town, identifying gaps in provision, providing practical help and grant funding for people and organisations with new ideas.

We therefore welcome applications from new and fledgling organisations and or for innovative projects that address an identified gap in services and opportunities for residents in Frome.

Not for profit organisations who have a constitution and a bank account with two signatories can apply for an FTC Community Grant to cover or part fund projects, activities, and organisational costs. Please apply for up to £3k if your project can demonstrate all of the following:

- How the project will support FTC's ambition *to build a town that is environmentally sustainable, inclusive, and prosperous with a community that is more resilient, happier, and better able to shape its own future.*
- A need for the project / existing gap in provision.
- A direct positive impact for Frome residents.
- How the project will be financially sustainable in the long term, independent of FTC funding.

In exceptional circumstances the Grants Committee will consider applications of up to £5k however please note If your application is for more than £2k that the same project will not qualify further funding from FTC within a two year window.

Applications that will fit the desired outcomes of the funding and support FTC's ambitions above, will be assessed by a panel of councillors. Decisions will be made at the scheduled Grants Committee meetings.

Grants awarded by FTC are public money, collected as part of the precept and we are accountable to local people for all expenditure. When accepting the grant you are agreeing to the Terms and Conditions below:
