2025/29/FC	2. Questions from public and Cllrs Andy Jones presented Karen Stewart with her civic award. Andy noted that this would be his last Council meeting as he would not be present in May. He thanked everyone who had made his year very special and gave special thanks to FTC officers Lucy for her help with the Mayor's column and Laura for helping managing his diary. Peter Wheelhouse explained FTC's previous financial support for Badgers Hill and how FTC had been in ongoing negotiations with a potential new lessee. Representatives from Frome Town Women's Football Club raised significant concerns about the future of Badgers Hill stadium. Tara spoke on behalf of the team who had played at Badgers Hill for 25 years. They felt they were not consulted about potential changes to the stadium. Unfortunately, they had experienced persistent misogyny and marginalisation from Frome Town Football Club and they had only ever wanted to be included transparently and respectfully. Ben Boland (team manager) requested direct communication about the outcome and next steps from FTC and clear assurances about the women's team's ability to continue playing at the stadium. Anna Sabine MP also supported the women's team position, urging FTC to ensure there were clear community benefits, guaranteed ongoing access for Frome Town Women and a commitment to supporting women and girls in sport. Darren Bernstein from the national Football Supporters Association warned about the risks of moving to private ownership. He advised FTC to attach multiple strings to any potential deal.	
2025/30/FC	3. For ratification - To withdraw objection to the Selwood Garden Community planning application Jane Llewellyn summarised the decision to withdraw the council's objection to the Selwood Garden Community Planning application. The decision prior to the meeting to be able to present the council's view at the planning inquiry in August. Jane also noted that there was no need for an additional medical practice because the current practice was more than big enough.	

	The recommendation was that the decision to remove FTC's objection to the Selwood Garden Community planning application Ref: 2021/1675/EOUT be ratified. Proposed by Anita Collier, seconded by Nick Dove, agreed by majority. Sara Butler abstained.	
2025/31/FC	4. For decision - Ongoing management options for the Frome Weekly Market Anne Hills left the room at 7.41pm Nick Dove said FTC had taken on the management of the markets. Rachel Griffin and her team had managed the markets successfully as an interim measure and now FTC were proposing to agree an SLA with the Frome Independent for them to take on the day to day management of the weekly markets. The recommendations were: 1. FTC to continue to manage the Frome Weekly market in the short term 2. Delegate to the Marketing and Communications Manager to agree an SLA with The Frome Independent at a cost to FTC of £25k in year 1 (taken from the Devolution Budget) and reducing to £15k in year 3. The SLA to reflect the terms and objectives in the proposal outlined in the report. Proposed by Tracey Ashford, seconded by Sara Butler, agreed by majority. Lisa Merryweather abstained.	RG

Paul Wynne confirmed that all key decisions would come back to council.	
2025/33/FC	The proposal was for the next item to be held in confidential session; therefore members of the press and public were asked to leave.
