# Things that are important to us about home education

Marshmallow maths  
I like doing projects with my friends  
Great learning opportunities  
Can wear my princess dress  
Going to forest school  
No bullying  
I like videos  
No set curriculum  
We visit cool places  
See my friends  
We can do it anywhere instead of staying inside  
The questions are hard  
If I want to learn something I can spend more time on it  
I like I can eat when I am hungry  
I can go at my own pace  
That I can focus on something for hours  
1-1 learning  
No set lunchtime  
Reading books  
I can listen to my body  
Learn about what you want  
Where we don't wear uniform  
It is easier to understand work  
Kids fall in to cliques or friend groups  
More focused on me so if I am struggling we can stop  
Freedom to study what I am interested in  
Main subjects covered and then a choice of what other subjects I do  
Going to the farm every Thursday

# Things that are important to us about where we live

My best friend lives on my road  
Lot's of places and activities for kids  
Larger graphic novel section at library  
There are lot's people to be friends with  
A place where I can practice aerial hoops  
Could have a seaside  
Countryside is not far  
Historical town  
Better banking  
Friendly community  
Cimbing things  
Water play  
Zip lines  
Jungle gym needs work  
The bins are always full  
The diversity of the people  
Help for local groups  
It couldn't be better  
Community  
Space  
Park  
Swimming pool  
Outdoor gym  
Frome has swings  
My Grandfathers allotment  
Park at Courts Barton  
I wouldn't change anything  
More places for outdoor learning  
I like seeing the birds and animals  
Community is large and vast  
Park near my house  
It could do with a cafe with outside play area  
It's loud at night from people in bars  
Victoria park  
I like all the groups I do in Frome

# Things that are important to us about our School

We loved our College production and really appreciate the staff time on Alice in Wonderland. It was a huge success.

Year 13-6th form support with UCAS

There were lot's of revision classes and resources for Year 11

Place2Be counselling, ELSA and Mental Health support is great

We appreciate the addition of single toilet cubicles

We enjoyed the additional activities put on during no phone day

There are lot's of places to go at break and lunch

New laptops for 6th form-they are really slow

The practicals in Science are great

The library is fantastic

Free fruit to be offered at College

More break time activities with equipment

Food selection in canteen-chicken and chips day

Generally 6th formers are happy and feel supported

There are opportunities for everyone to get involved with enrichment

More Rugby and Basketball fixtures with local schools and clubs

**More school funding for school trips**

Girls and Boys changing rooms need to be renovated and heating needs to be improved
